

Technical Meeting March 2, 2017

You are invited to join the NH Public Works Association's annual Technical Meeting!

We are happy to present **Guy Santagate**, former City Manager of Claremont, as a featured speaker on **The Challenges Facing Municipal Governments**.

The Technical Meeting is an opportunity for education and discussion of important and relevant topics pertaining to Public Works. This year, the half-day conference will present the following topics:

The Boot and the Brains of Dover Storm Water Management

Bill Boulanger, City of Dover, and Jamie Houle, UNH

StreetScan Pavement Management System: Valuable Information for Local Government

Roy Karlan, StreetScan

Boston's Logan Airport - Runway 33L Safety Area

Steve Riesland, PE, Stantec

Flying Above the High Water Mark - Unmanned Aerial Systems for Water Suppliers

Ben Lunsted, Dave Cote and Josephine Hatton, Comprehensive Environmental, Inc.

Cost:

\$50 for Members

\$60 for Non-Members
