

FLAGGER CERTIFICATION (ATSSA)

A UNH Technology Transfer Center Workshop
5 Safety Hours

WHAT IS THIS CLASS ABOUT?

Students will receive their ATSSA Flagger Certification in the mail (upon successful completion of the exam). This certification will be valid for 4 years. Flaggers are in a very dangerous and responsibility-ridden position, playing a crucial role in temporary traffic control. The safety of workers, motorists, and pedestrians is dependent upon the flagger’s performance. Since the flagger position involves safety, proper training is vital; flaggers are expected to pass a test to prove their proficiency and competence level.
