About Us:

The University of New Hampshire Technology Transfer Center (UNH T²) has been designated as one of the 51 Local Technical Assistance Programs (LTAP) established in all fifty states and Puerto Rico by the U.S. Congress.

UNH T² primarily serves the Public Works Directors and employees, Road Agents, and the municipal officials concerned with local roads, along with others in the public and private road-related organizations.

The New Hampshire Department of Transportation (NHDOT) and Federal Highway Administration (FHWA) fund UNH T².

For quality assurance, UNH T² has adopted the criteria of the International Association for Continuing Education. This association, in addition to setting standards for high quality training, also governs the issuance of continuing education units (CEUs). By fulfilling their standards, UNH T² workshops qualify for issuance of CEU's which the UNH Division of Continuing Education will issue for free to any UNH T² workshop attendee.

February 14, 2019

To: Roads Scholars
Advisory Board Members
Directors of Public Works
Municipal Officials

The University of New Hampshire Technology Transfer Center (UNH T²) held its first workshop in May of 1986, with over 1,700 workshops offered in the 32 years since then. In that time, over 8,000 people attended at least one workshop.

The 750 Roads Scholars and 109 Safety Champions recognized in this directory have taken a UNH T² workshop within the last three years. This demonstrates that they are actively working to expand their professional knowledge, improve their career performance, and enhance their personal and professional development through continued training.

I hope that the municipalities, elected officials, departments, and communities they serve also recognize their achievements.

I also wish to recognize the individuals who instructed UNH T² workshops during 2018 or served on the Advisory Board. The quality of UNH T² workshops is due in large part to the skills, dedication, and professionalism of these individuals.

It is my pleasure to congratulate each of the Road Scholar listed in this Directory!

Sincerely,

Marilee LaFond
T2 Manager

UNH T² Staff:

Erin Bell, Ph.D. - *Principal Investigator*

Robert Henry, Ph. D. - *Financial Advisor*

Marilee LaFond - *Technology Transfer Center Manager*

George "Butch" Leel - *Senior Training Instructor*

Stephanie Cottrell - *LTAP Coordinator*

Bettina Sietz - *LTAP Program Assistant*

Haley Langton - *Student Worker*

UNH T² Advisory Committee:

NHDOT Representatives

Glenn Davison - Supervisor of Systems Planning, Civil Engineer VI, Division of Project Development

Ann Scholz - Research Engineer, Bureau of Materials & Research

FHWA Representative

Michelle Marshall - Safety & Area Engineer, NH Division FHWA

NH Public Works Association

Martha Drukker - Associate Engineer, City of Concord

Scott Kinmond - Town Administrator, Town of New Durham

NH Public Works Mutual Aid Association

Caleb Dobbins - Administrator, NHDOT, Division of Highway Maintenance

NH Road Agents Association

Richard Lee - Retired Public Works Director, Town of New London

Member at Large

Dave Danielson - President, Forecee Advocacy, NH State Representative (2010-present)

Safety Champion

The following is a list of the **218** individuals who have participated in a T² workshop within the last three years and have accrued at least 20 hours in Safety specific workshops through the T² Center to become a **Safety Champion**:

Lee Adams	Rye	Robert Burley	Merrimack
Michael Alexuk	Derry	Ernie Butler	Hillsborough
David Almon	NHDOT	Robert Buxton	Derry
Mark Allen	Keene	William Buxton	Derry
Mark Avery	NHDOT	William Byrne	Keene
Robert Bain	Campton	Bruce Caillouette	Danville
Brian Barden	Dublin	Daniel Camire	Laconia
Ralph Barrett	Pelham	Robert Cepurneek	Bow
William Barrette	Claremont	Matthew Clark	NHDOT
Gregg Barron	Rochester	Reagan Clarke	NHDOT
Myron Beaulieu	Goffstown	Ron Clough	Hancock
Neal Beauregard	Greenfield	Kevin Coakley	Dover
Peter Beede Sr.	Moultonborough	David Condon	Claremont
Gavin Bell	Laconia	Derek Corbin	Enfield
Cory Bergeron	Claremont	Alan Cote	Derry
Craig Blais	Bedford	James Culpon	Laconia
Gregory Blecharczyk	Merrimack	Scott Daley	Merrimack
Dave Bogannan	Laconia	Jason Damren	NHDOT
Randy Borelli	Derry	Justin Daniels	Rochester
Christopher Boucher	Raymond	Scott DeCoteau	Claremont
Joseph Boucher	Dover	Kevin Demers	Concord
Steven Boyd	Derry	Harold Dennison	Laconia
J. Scott Brown	Amherst	Michael Denver	Gilford
Steven Bullek	NHDOT	James Dicey	Troy
Matt Bumford	Henniker	27 Raymond Dodier	NHDOT

Edward Stewart	Atkinson	Dean Truax	Dover
Jeff Strong	Merrimack	Keith Weed	Charlestown
Timothy Sweeney	Bow	Shawn White	NHDOT
Phillip Sylvia	Laconia		

NHDOT crew participating in Confined Spaces training

Advanced Master Roads Scholar

The following are the individuals who have participated in a T² workshop, accrued at least two hundred contact hours, met the requirements of a Roads Scholar II and Safety Champion, and have assisted the T² Center in some capacity to become an **Advanced Master Roads Scholar**:

George "Butch" Leel	T ² LTAP
Gordon Ellis	Epsom
Craig Sykes	Raymond

NH Roads Scholar Program

The NH Roads Scholar Program establishes educational and training requirements across six levels of achievement and includes coverage of subjects essential to effective local road management.

There are a minimum number of contact hours for each level, and subject coverage is established for Roads Scholar II. Contact hours measure the time of instructor-to-learner interaction. A typical UNH T² one-day workshop is five hours of instruction and is equal to five contact hours. By incorporating subject area, as opposed to specific courses, UNH T² can respond to recommendations for training by developing workshops for new technologies and current trends.

All requirements must be met to advance in the program. The table below lists the contact hours (and Roads Scholar II subject areas) needed for each level.

Roads Scholar I: Requires 25 contact hours

Roads Scholar II: Requires 50 contact hours, with 40 hours in specific categories:
 20 hours of *technical road maintenance or repair*
 5 hours *supervision or personal development*
 10 hours *liability or safety*
 5 hours *environmental*

Senior Roads Scholar: Requires 75 contact hours

Master Roads Scholar: Requires 100 contact hours

Master Roads Scholar II: Requires 150 contact hours, and must be a Safety Champion*

Advanced Master Roads Scholar: Requires 200 contact hours, and must complete the objective to participate in, and help improve, the working lives of your colleagues and the public works community (determined on an individual basis) For specific details, visit <https://t2.unh.edu/roads-scholar-program>

***Safety Champion** is a side award given once a recipient achieves 20 Safety hours, regardless of what level the recipient has reached in the Program.

2018 Workshop Instructors

Chris Albert - Jones & Beach Engineers, Inc. **Sean Madden** - McGregor Institute of EMS
Mark Avery - NHDOT **Greg Jordan** - UNH Cooperative Extension
Gary Bartlett - NHDOT **Emmett Russell** - ARTBA
Brent Beebe - USDA Forest Service **Craig Sykes** - Town of Raymond
Robert Betsold - All States Materials Group **Bruce Temple** - City of Lebanon
Mark Broth - Drummond & Woodsum Attorneys at Law **Tyler Tommila** - NHDOT
Pam Buckley - Douglas Dynamics **Patrick Woodbrey** - Consultant
Stephen Buckley - NH Municipal Association
Margaret Byrnes - NH Municipal Association
Anna Cole - Drummond & Woodsum Attorneys at Law
William Cote - Consultant
Stephanie Cottrell - UNH Technology Transfer Center
Doug Cygan - NH Department of Agriculture
Dave Danielson - Forecee Advocacy LLC
Bruce Davis - Manager, All States Materials Group
AJ Dupere - NH Division of Forests & Lands
Dan Gilliland - Douglas Dynamics
Joe Guinta - Consultant
Patrick Holland - NHDOT
James Houle - UNH Stormwater Center
Cory Keeffe - NH Division of Forests & Lands
Scott Kinmond - Town of New Durham
Julie Kroupa - NHDOT
George "Butch" Leel - UNH Technology Transfer Center

Master Roads Scholar II

The following is a list of the **51** individuals who have participated in a T² workshop within the last three years, accrued at least one hundred fifty contact hours, met the requirements of a Roads Scholar II and Safety Champion, to become a **Master Roads Scholar II**:

David Almon	NHDOT	Robert Hatch	Madison
Robert Bain	Campton	Mike Hillhouse	Goffstown
Brian Barden	Dublin	Warren Hilton	Dover
Neal Beauregard	Jaffrey	Scott Johnston	Enfield
Gavin Bell	Laconia	Scott Kinmond	New Durham
Dave Bogannan	Laconia	Louis Lapointe	Merrimack
Randy Borelli	Derry	Robert Lovering	Merrimack
Joseph Boucher	Dover	Dennis G. McCarthy	Rye
Robert Buxton	Derry	Daniel Morrow	Exeter
William Buxton	Derry	Peter Neary	Derry
James Culpon	Laconia	Leigh Nichols	Wakefield
Jason Damren	NHDOT	Paul Paradis	Rye
Harold Denison	Laconia	Charles Perkins	Stratham
James Dicey	Troy	Eric Poitras	Dover

2018 Workshops

1. A Hard Road to Travel
2. Backhoe Operation & Safety
3. Budgeting for Public Works
4. Chainsaw Safety & Maintenance
5. Confined Spaces
6. Construction Math
7. Culvert Maintainer Certification
8. Culvert Maintainer Recertification
9. Employee Performance Evaluations & Employment Law Boot Camp
10. Employee Safety for Public Works
11. Erosion Control
12. Excavator & Loader Operation
13. Excavator Operation
14. First Aid, CPR & AED
15. Flagger Certification (ATSSA)
16. Flagger Renewal (ATSSA)
17. Fundamentals of Leadership
18. Grader Operation
19. Grader Operation - Level 2
20. Grader Operation & Maintenance
21. Gravel Road Maintenance
22. Green SnowPro - The Power of Salt Brine
23. Green SnowPro Refresher for Recertification
24. Green SnowPro Training
25. I'm the Boss... Now What?
26. Installation & Maintenance of Culverts
27. Introduction to Computers

28. Is a Good Road a Safe Road?
29. Job Hazard Analysis
30. Lines, Levels & Layouts
31. Listening & Effective Communication
32. Municipal Garages & Safety
33. Municipal Tree Workers Workshop
34. OSHA Roadway Construction 10 hour
35. Public Relations for Public Works
36. Road Maintenance 101 - for Administrators & Elected Officials
37. Road Maintenance 101 - for Highway & DPW Staff
38. Road Managers & Supervisors Meetings
39. Road Safety 365
40. Roadside Mowing Safety
41. Tree Identification
42. Trench Safety
43. Winter Maintenance Fundamentals
44. Work Zone Traffic Control
