WebEOC Awareness

An overview of New Hampshire's disaster management platform.

Meghan M. Geoffrion

WebEOC Coordinator/State Exercise & Training Officer
Division of Homeland Security & Emergency Management

What is WebEOC?

- Web based platform for information management.

- Provides a common operating picture.

- Designed to streamline communications.

- Allows for users to request goods or services.

Who has access to WebEOC?

- NH Homeland Security & Emergency Management
- All Emergency Management Directors statewide, some Police and Fire Departments and Dispatch Centers
- Emergency Support Functions for the State Emergency Operations Center

  - American Red Cross
  - Bureau of Emergency Communications
  - Department of Administrative Services
  - Department of Agriculture
  - Department of Education
  - Department of Environmental Services
  - Department of Health & Human Services

  - Department of Information Technology
  - Department of Natural & Cultural Resources
  - Department of Transportation
  - FEMA
  - Fire Academy & EMS Standards
  - Fire Marshal's Office
  - Fish & Game
  - GIS Support
  - Governor's Office

  - Information & Analysis Center
  - Multiple Public Information Officers
  - National Guard (Air, Army & CST)
  - Office of Strategic Initiatives
  - Public Utilities Commission
  - State Police
  - State Police Dispatch
  - Voluntary Organizations Active in Disasters

- Federal Agencies

  - Army Corps of Engineers
  - Military Liaisons (Air Force, Army & Navy)
  - Department of Health & Human Services
  - Department of Homeland Security

  - Department of Labor
  - Department of Transportation
  - FBI
  - Forestry Service
  - National Weather Service

  - Portsmouth Naval Shipyard
  - Postal Inspection Services
  - Secret Service
  - US Marshals
  - USCG

- Other State Entities

  - Banking Department
  - Business Affairs
  - Civil Air Patrol
  - Department of Corrections
  - Employment Security

  - Insurance, Labor
  - Liquor Commission
  - Marine Patrol
  - Motor Vehicles
  - NH Judicial Branch

  - Office of the Attorney General
  - Pease Development Authority
  - Revenue Administration
  - Veterans' Home

Who has access to WebEOC?

- County or Regional Entities
  - Hazmat Teams
  - Regional Public Health Networks
  - SAUs
  - Sheriff's Offices
  - Swift Water Group

- Other States
  - Connecticut
  - Maine
  - Massachusetts
  - Vermont

- Canadian Provinces
  - New Brunswick
  - Newfoundland & Labrador
  - Nova Scotia
  - Prince Edward Island
  - Quebec

- Private Sector & Volunteer Partners
  - 211
  - Amateur Radio Emergency Service
  - Amtrak
  - Comcast
  - Fairpoint
  - Higher Education
  - Hospitals
  - Manchester-Boston Regional Airport
  - NH Architects & Engineers Emergency Response Task Force
  - NH Farm Bureau
  - NH Grocers Association
  - NH Hospital Association
  - NH Motor Speedway
  - NH Municipal Association
  - Primex
  - Seabrook Nuclear Power Plant
  - Utilities
  - Verizon Wireless
  - Volunteer NH

How Does WebEOC Operate

- Incidents
  - Training
  - Exercises
  - Planned Events
  - Unplanned Incidents, Disaster, Events

  - Organized by Calendar Year.

  - Follow a standard naming convention.

- Users vs. Positions
  - Assigned an individual username.

  - Positions are for the entity you are representing during the current event.

WebEOC Layout

- Boards
- Maps
- Menus
  - ICS Forms
  - WebEOC Training Resources
- Tools
  - Chat
  - Messages
  - Sessions
- Web Links

Who Has Access to What Boards?

- Anyone can enter information into and/or upload files to the following boards:

  - **Mission Task - Request**

  - **Press Release**

  - **Situation Report/IAP**

  - **After Action Report:** The information is only visible to the Position entering it, and select Positions at the State level.

  - **Activity Log:** The information is only visible to the Position entering it, unless routed up.

  - **Position File Library:** The information is only visible to the Position entering it.

- NH DOT & Municipalities can enter information into the **Road Closure** board.

- NH DHHS & Municipalities can enter information into the **Shelters** board.

1793	EOC Local Liaison	EOC ESF-07 Resource Support	Immediate (4 hrs.)	05/16/2018 15:43:00	Complete	05/16/2018 12:04:25	
	Local volunteer vendor (Dirt Doctor) will be available to assist with a crew of 5 with equipment. Procurement through contracts for remainder of 5 chainsaws. Will need local volunteers to run equipment. EOC ESF-07 Resource Support - Razin.Loretta at 12:02:38 on 05/16/2018 Debris removal equipment needed EOC Mission Assignment Coordinator - Kaylor.Gregory at 11:45:47 on 05/16/2018 Dover EOC requesting 10 chainsaws for debris removal. Advised to check with PWMA and they hadn't. Local Liaison contacted PWMA and no chain saws are available in the area. EOC Local Liaison - Marinaccio.Alexander at 11:40:44 on 05/16/2018						🔍 Details ✎ Edit

1603	EOC Operations	EOC FEMA SLO	Priority (12 hrs.)	05/16/2018 02:19:00	Complete	05/16/2018 12:02:46	
	IMAT Team has arrived and is standing up at the Fire Academy barracks. There appears to have been an accident involving two members and a vehicle on I-93, which resulted in one fatality and one critically injured. Team members on hand will fill the void until additional staff can be deployed. EOC FEMA SLO - Harbour.Lance at 12:00:00 on 05/16/2018 Task has been received. Request has been submitted to Resource Support staff at RRCC. There is only one IMAT currently available nationwide. The decision has been made to deploy that team to the most affected state, which is yet to be determined. Tasking will be updated as more information becomes avaialable. EOC FEMA SLO - Harbour.Lance at 06:09:41 on 05/16/2018 Request Incident Management Team from FEMA to the State EOC in support of Hurricane Cora recovery efforts that will be extensive.
