

WE WANT TO RECOGNIZE YOUR BRIGHT IDEAS, AND HELP OTHERS!

NH entries needed by 5/13 for FHWA's

What is a **BETTER** mouse trap?

It could be any improvement, enhancement, tweak or tinker that results in a creative solution (innovation!) to solve an issue, save time or money, fix what was a clunky process, or make work safer or more efficient.

From tooling to process and equipment – your innovation could help others public works teams!

Questions? Contact Lee.Cooper@unh.edu or scan.

Monthly drawings for free workshop seats or a PW First Responder hoodie!

2023 NH program winner's choice of one:
