

2023 NH ROADS SCHOLAR DIRECTORY

UNH Technology Transfer Center

About Us:

The University of New Hampshire Technology Transfer Center (UNH T2) has been designated as one of the 51 Local Technical Assistance Programs (LTAP) established in all fifty states and Puerto Rico by the U.S. Congress.

UNH T² primarily serves the Public Works Directors and employees, Road Agents, and the municipal officials concerned with local roads, along with others in the public and private road-related organizations.

The New Hampshire Department of Transportation (NHDOT) and Federal Highway Administration (FHWA) fund UNH T2.

For quality assurance, UNH T2 has adopted the criteria of the International Association for Continuing Education. This association, in addition to setting standards for high quality training, also governs the issuance of continuing education units (CEUs). By fulfilling their standards, UNH T2 workshops qualify for issuance of CEU's which the UNH Division of Continuing Education will issue for free to any UNH T2 workshop attendee.

May 10, 2023

To: Roads Scholars
Advisory Board Members
Directors of Public Works
Municipal Officials

The University of New Hampshire Technology Transfer Center (UNH T2) held its first workshop in May of 1986, with over 1,800 workshops offered in the almost 40 years since then. In that time, over 8,000 people attended at least one workshop.

The Roads Scholars and Safety Champions recognized in this directory have taken a UNH T2 workshop within the last three years. This demonstrates that they are actively working to expand their professional knowledge, improve their career performance, and enhance their personal and professional development through continued training.

I hope that the municipalities, elected officials, departments, and communities they serve also recognize their achievements.

I also wish to recognize the individuals who instructed UNH T2 workshops during 2022 or served on the Advisory Board. The quality of UNH T2 workshops is due in large part to the skills, dedication, and professionalism of these individuals.

It is my pleasure to congratulate each of the Road Scholars listed in this Directory!

Sincerely,

Marilee Enus
Director, Technology Transfer Center

“The goal of education is the advancement of knowledge and the dissemination of truth.”

~John F. Kennedy

Safety Champion	25

UNH T2 Staff:

- **Erin Bell, Ph.D.** - *Principal Investigator*
- **Marilee Enus** - *Technology Transfer Center Director*
- **George “Butch” Leel** - *Senior Training Instructor*
- **Lee Cooper** – *Program Coordinator*
- **Sydney Weisensee, Liberty Laarman, and Jamie Corr**- *UNH student Office Assistants*
- **Scott Kinmond** – *Technical Specialist*
- **Tyler Tommila** – *Technical Specialist*
- **Chris Dowd** – *SADES Manager*

UNH T2 Advisory Committee:

NHDOT Representatives

Glenn Davison - Supervisor of Systems Planning, Civil Engineer VI, Division of Project Development

Ann Scholz - Research Engineer, Bureau of Materials & Research

FHWA Representative

Michelle Marshall - Safety & Area Engineer, NH Division FHWA

NH Public Works Association

Martha Drukker - Associate Engineer, City of Concord

Scott Kinmond – DPW Director, Town of Alton

NH Public Works Mutual Aid Association

Caleb Dobbins - Administrator, NHDOT, Division of Highway Maintenance

NH Roads Scholar Program

The NH Roads Scholar Program establishes educational and training requirements across six levels of achievement and includes coverage of subjects essential to effective local road management.

There are a minimum number of contact hours for each level, and subject coverage is established for Roads Scholar II. Contact hours measure the time of instructor-to- learner interaction. A typical UNH T2 one-day workshop is five hours of instruction and is equal to five contact hours. By incorporating subject areas, as opposed to specific courses, UNH T2 can respond to recommendations for training by developing workshops for new technologies and current trends.

All requirements must be met to advance in the program. The table below lists the contact hours (and Roads Scholar II subject areas) needed for each level.

Roads Scholar I: Requires 25 contact hours

Roads Scholar II: Requires 50 contact hours, with 40 hours in specific categories:

20 hours *Technical category*

5 hours *Supervisory category*

10 hours *Safety category*

5 hours *Environmental category*

Senior Roads Scholar: Requires 75 contact hours

Master Roads Scholar: Requires 100 contact hours

Master Roads Scholar II: Requires 150 contact hours, and must be a Safety Champion*

Advanced Master Roads Scholar: Requires 200 contact hours, and must complete the objective to participate in, and help improve, the working lives of your colleagues and the public works community (determined on an individual basis)

For specific details, visit <https://t2.unh.edu/roads-scholar-program>

***Safety Champion** is a side award given once a recipient achieves 20 Safety hours, regardless of what level the recipient has reached in the Program.

2022 Workshop Instructors

- Bobby Betsold – All States Materials Group
- Bruce Davis - All States Materials Group
- Chris Albert - CSA Environmental Consultants, LLC.
- Craig Sykes
- Frank Beliveau – Innovative Surface Solutions
- George "Butch" Leel - UNH T2
- Kevin Elliot – Applied Research Associates
- Kira Flinn – Innovative Surface Solutions
- Marilee Enus - UNH T2
- Mike Allen – 3M Corporation
- Robinson Velasquez – ARTBA
- Sandt Michener – NH Department of Transportation
- Scott Kinmond - UNH T2 Advisory Board
- Stephen Buckley - NH Municipal Association
- Tyler Tommila

2022 Workshops

1. A Conversation on the Latest Research and Resources In Pavement Management
2. An Introduction to NHPWMA and Other Components for Public Works' Resiliency During Emergencies
3. Analyzing and Sharing Data in Excel (Taste of Tech Thursday)
4. ATSSA Flagger Certification
5. Backhoe Operation Intro to Safety & Maintenance - Virtual Classroom
6. Certified Culvert Maintainer
7. Certified Culvert Maintainer Recertification
8. Chainsaw Safety & Maintenance
9. Data Driven Winter Maintenance Planning
10. Electrical and Other Main Hazards in Roadway Construction
11. Employer Branding for PW Recruitment & Retention
12. Excel Part WOW - Tips, Tricks, and Did-Ya-Knows
13. Finding, Retaining & Motivating PW Employees
14. Getting Started in Excel
15. Grader Operation & Safety Intro - Virtual Classroom
16. Grant Writing Basics
17. Gravel Road Maintenance
18. Hands On Grader Operator Training
19. Hot Topics in Highway Regulations - Class VI Roads
20. Hot Topics in Highway Regulations - Hazardous Trees, Trees and Stone Walls, Drainage Easements & Liability to Abutters
21. Hot Topics in Highway Regulations - Highway Funding
22. Hot Topics in Highway Regulations - Municipal Liability for Roads, Streets, Sidewalks.
23. Hot Topics in Highway Regulations - weight limits, timber hauling, and ATV/OHRV's on Municipal Roads
24. Installation & Maintenance of Culverts
25. Intro to Pavement for the PW Administrator: Budgeting & Forecasting
26. Keeping Each Other Safe in Work Zones
27. Leadership Exchange Group
28. Level Up Productivity with Outlook: Tasks, Signatures, Folders and Other Tips
29. Lines, Levels & Layouts
30. Marketing for Government Agencies
31. Municipal Garages & Safety
32. Pavement Marking & Sign Technology

33. Pavement Mgmt 101 & Treatment Options
34. Pavement Project Selection & Preparation
35. Performance Coaching for the PW Team
36. Public Speaking for PW Professionals
37. PW Jumpstart - New Hire Orientation
38. Road Maintenance 101 for Transportation Planners & RPCs
39. Road Maintenance 101 -Pavement Management for Highway & DPW Staff
40. Road Safety Fundamentals
41. Roadside Mowing & Safety
42. Safe & Defensive Driving in Public Works Operations
43. Safe Transportation for Every Pedestrian
44. Safety Countermeasures for Unpaved and Gravel Roads
45. Snowfighters Seminar
46. Updates to the AASHTO Guide Specifications for Highway Construction: Pavement & Quality Control
47. Using Canva to Design Marketing & Other PW Communications for Public Works

Roads Scholars

Roads Scholar I

The following is a list of the **370** individuals who have participated in a UNH T2 workshop within the last three years and have accrued at least twenty-five contact hours to become a **Roads Scholar I**:

Aborn, Mike	Beaudreau, Damon	Boucher, Christopher
Allen, Eric	Beauregard, Dan	Boucher, Henry
Almon, David	Beauregard, Neal	Bourgoine, Eric
Almon, Doug	Becker, Eric	Bournival, Erik
Anair, Tim	Beede Sr, Peter	Boylan, Michael
Anthony, Larry	Beers, Brian	Boynton, John
Arsenault, Aaron	Bell, Gavin	Brasseur, Andre
Ash, Michael	Bellamy, Dave	Brooks, Scott
Atwood, Donald	Benware, Alan	Brown, Bruce
Bard, Jason	Berry, Bruce	Bullek, Steve
Barden, Brian	Berube, Mark	Burke, John
Barnard, E. Douglas	Bevilacqua, Dale	Burnham, Zeb
Barney, Brian	Bevis, Stephen	Burrill, Brian
Barrett, Kevin	Bishop, Nick	Buxton, William
Barrett, Ralph	Blain, Doug	Byam, Arnold
Barron, Daniel	Blanchette, Dan	Byrne, William
Barss, Gerald	Bobinsky, Michael	Caillouette, Bruce
Bean, James	Bogannan, Dave	Calef, Jere

Camire, Daniel	Craig III, Clark (Chip)	Drake, Dana
Cantara, Jeff	Croteau, Todd	Drew, Dale
Capone, Brian	Crowder, Ben	Dubois, Mark
Cardinal, Will	Culver, Martin	DuBreuil, Gerald
Carter, Ralph	Currier, Carlton	Dufour, Kenneth
Cashman, Craig	Cutter, Timothy	Dugas, Michael
Cate, Arnold (Buck)	Davis, Daniel	Dumayne, Jesse
Chancey, Almus	Davison, Scott	Dunham, Lee
Chancey, Jeffrey	DeCoteau, Scott	Dunn, Craig
Chartier, Jon	DeDucca, Ron	Durgin, Diane
Chevrette, Mark	DegliAngeli, Paul	Durgin, Michael
Clark, Roy	Denison, Harold (Hank)	Eastman, Dennis

Mason, Todd	Reifke, Michael	Tuomala, Dawn
Mathieu, Jean (John)	Rucker, Jason	Wallace, Frederick
Messenger, Greg	Russell, Gary	Weed, Keith
Meunier, Robert	Salisbury, Kenny	Weston, Tom
Miller, Terry	Sharpe, Ryan	White, Shawn
Moore, Marc	Shoemaker, William L.	Wholley, Dave
Morrison, Dave	Smith, Doug	
Nave, James	Smith, Mitchell	

Master Roads Scholar II

The following is a list of the **26** individuals who have participated in a UNH T2 workshop within the last three years, accrued at least one hundred fifty contact hours, met the requirements of a Roads Scholar II and Safety Champion, to become a **Master Roads Scholar II**:

Almon, David	(Hank)	Lapointe, Louis (Lou)
Bell, Gavin	Dunham, Lee	Leel, George (Butch)
Bogannan, Dave	Eldredge, Brian	Perkins, Charles
Buxton, Robert	Ellis, Gordon	Smith, Steve
Buxton, William	Faller, Michael	Sorell III, Ames
Cote, Alan	Ferreira, Frank	Sykes, Craig
Culpon, James	Fisk III, Hazen	Sylvia, Phillip
Damren, Jason	Johnston, Scott	Truax, Dean
Denison, Harold	Kinmond, Scott	White, Shawn

Advanced Master Roads Scholar

The following are the 5 individuals who have participated in a UNH T2 workshop, accrued at least two hundred contact hours, met the requirements of a Roads Scholar II and Safety Champion, and have assisted the UNH T2 Center in some capacity to become an **Advanced Master Roads Scholar**:

Ames Sorell III	Gordon Ellis
Butch Leel	Scott Kinmond
Craig Sykes	

Safety Champion

The following is a list of **129** individuals who participated in a UNH T2 workshop within the last three years and have accrued at least 20 hours in Safety specific workshops through the UNH T2 Center to become a **Safety Champion**:

Aborn, Mike	Coates, Rob	Emery, Jr., John
Aldrich, Jason	Companion, Peter	Faller, Michael
Allen, Eric	Condon, David	Fanny, Robert
Almon, David	Corbin, Derek	Ferreira, Frank
Ball, Ernie	Coursey, Nick	Fife, Harold (Pete)
Barnard, E. Douglas	Culpon, James	Fisk III, Hazen
Barrett, Ralph	Davison, Scott	Fitzgerald, Justin
Bean, James	DeCoteau, Scott	Fortune, Samuel
Beauregard, Neal	Denison, Harold (Hank)	Fox, Kyle
Beede Sr, Peter	Denver, Michael	Gordon, Terry
Bell, Gavin	Doucette, Ernie	Gore, Joseph
Bogannan, Dave	Dow, William	Goundrey, Paul
Bordeau, Brian	Drew, Dale	Graichen, Jon
Boucher, Christopher	Dunham, Lee	Grenier, Samuel
Boylan, Michael	Dunn, Craig	Haines, Jeffrey
Brown, Bruce	Eastman, Dennis	Hamilton, Kenneth
Buxton, Robert	Eldredge, Brian	Hatch, Robert
