

NHPWA Annual Meeting

May 9, 2019

Agenda

- 8:30 – 9:00 Registration & Refreshments
- 9:00 – 9:15 Welcome and Acknowledgements
Scott Kinmond, President of NHPWA
- 9:15 – 9:45 **Keynote Speaker**
- 9:45 – 11:00 **Environmental Review Process for Municipally Managed
NHDOT/FHWA Funded Projects**
Christine Perron CWS—McFarland Johnson
This presentation will present the process needed to complete the environmental review for municipally managed projects which have NHDOT/FHWA funding. The presentation will help local officials understand the steps to be performed and the concerns to be evaluated.
- 11:00-11:15 Break
- 11:15-11:45 **Quality Assurance Testing for Municipal Paving Projects**
John Vancor PE, Hayner/Swanson, Inc.
Andrew Michaud, S. W. Cole Engineering, Inc
The extent to which municipalities incorporate testing in their quality assurance program for paving varies extensively. This presentation will describe different tests which are commonly performed and outline the information gained from the results.
- 11:45 – 12:15 **Pavement Management and Road Surface Improvement
Alternatives**
Todd Connors PE, City of Manchester
Conrad Leger, BETA Group
This program will present an overview of the principles of pavement management as well as relate the City of Manchester’s experience with different roadway surface improvement alternatives.
- 12:15 – 12:30 Break – Lunch will be served
- 12:30 – 1:30 **NHPWA Annual Meeting**

***Golf Tournament to follow the Annual Meeting**
