<p>Levels (gold, silver or bronze) can be achieved through any combination of sponsored events as long as the total reaches a particular level. All events can be supported on an individual basis and no level has to be achieved...i.e., one can sponsor a golf hole at the memorial tournament for \$150 without obligation of reaching any higher participation; however, to be listed in the newsletter as an annual contributor, one must reach at least the bronze level.</p>
