

## **Winter Sand Invitation to bid**

The **Town of Rutland** Selectboard will receive bids for approximately 700 cubic yards of winter sand. Bid may be awarded at the Select board meeting on June 14, 2008. The Town reserved the right to reject any or all bids. For more information and bid specifications contact the Road Commissioner at 773-8128 or 7730 2528.

### **Specifications for Sand**

1. Sand to be of a course, clean nature, 100% passing the 3/8" sieve, less than 3% passing the #200 sieve and approved by the Road Commissioner. A sieve test should be available if requested by the Road Commissioner
2. Bid to be by the town and will include delivery. If scales are not available then a per-yard price that includes delivery is acceptable.
3. Contractor responsible for any highway overweight permits.
4. The Road Commissioner and the contractor prior to deliver will agree upon the capacity of any trucks delivering by the yard.
5. Road Commissioner may increase the yardage to be delivered at his discretion. Delivered price for extra yardage will remain the same as the bid price.
6. Payment will be authorized by the Selectboard at their meeting following delivery of all the sand.
7. Bid to be marked on the envelope "Winter Sand Bid" and sent to the Town Clerk at P.O. Box 225, Center Rutland, Vermont 05736 on or before 11a, June 5, 2008. Bids will be opened at this time and prepared for presentation to the Selectboard at their June 10, 2008 meeting.
8. Sand to be delivered on or about October 1, 2008
