BRIEF DESCRIPTION OF WORK TO BE DONE.

• I hereby agree to comply with the Zoning Ordinance, Planning Board Regulations and Building Codes adopted by the Town of Hampton Falls.
• I agree to make the premises accessible to the Building Inspector at reasonable times for the performance of his/her duties. Further, I agree to give the Building Inspector 24 hours notice before any required inspections are made.
• I hereby certify, under penalties of perjury, that the estimated cost of construction, alteration, or remodeling (including labor and materials) is $___________.

Does the above estimated cost include electrical and/or plumbing costs? Yes_____ No_____  (Please Specify Below)

Electrical Cost $_________________  Plumbing Cost $_________________

If electrical work involves the replacement or installation of a new meter, a “permit to energize” will also be required from this office prior to the utility company turning on the power.

Please note: Electrical and plumbing contractors are required to obtain their own permits even if the cost of their work is included in this permit.

Date: ___________________________  Signed: _____________________________________________
