

**Location of mailboxes:** Mail and newspaper boxes are allowed, at the owner=s risk, in the Town=s right-of-way. Claims for damages or other liabilities resulting from their installation are the responsibility of the owner. The following are suggestions for reducing the possibility of damage: the mailbox should be installed in such a manner that no part of

the mailbox is within three feet of the edge of pavement. Installations should be sufficiently sturdy to withstand the weight of heavy snow resulting from plowing operations. The Town does not repair or replace mailboxes damaged during snow removal operations.

Generally, the Town has a 50-foot right-of- way, which extends 13 feet from the edge of pavement. Residents are asked not to reconstruct road shoulders and swales or place any structures and landscape items within the Town Right-of-Way. Stakes, delineators or rocks create a road hazard and should be removed. The Town is not liable for damages that may occur to objects placed within its right-of-way.
